

Flav-R 2-Go® Pizza Locker System - Floor Mount

Models: F2GP-14-C

The Hatco Flav-R 2-Go® Pizza Locker System - Floor Mount, designed specifically for your pick-up and third-party delivery needs, is capable of holding multiple orders of hot pizza with quick and secure access. By reducing congestion and allowing employees to focus on other functions, customers or delivery people can arrive, access their specific locker, and leave without waiting in line or disturbing the flow of other business.

Standard features

- Countertop and built-in models also available, see alternate spec sheets
- A great solution to handling pick-up, third-party delivery and to-go orders in a non-contact manner
- Each unit has a large 10" (254 mm) touchscreen on the operator side and on the customer side. The operator puts in the name and code. The customer receives the code, enters it on the touchscreen, and the appropriate door unlocks and opens
- Each locker will hold prepared and packaged food for up to 45 minutes. Operator is notified when the hold time expires
- Lockers come preset to 149°F (65°C) but can be adjusted to 180°F (82°C) or even turned off if desired
- Individual lockers can have the heat turned off for ambient storage
- As a pass-through unit, customer side stays locked. When the access code is used, the door unlocks and opens for 30 seconds
- Available in *Designer* colors

NOTE: This unit is intended for stationary indoor, commercial use only—NOT for mobile applications.
