

## PRODUCT RELEASE

# Add a Modern Touch to Your Operation With Hatco®'s Newest Decorative Lamps

Hatco® Corporation is expanding its Best In Class line of Decorative Lamps with the addition of seven new trendy shade styles. Decorative Lamps provide the two-fold benefits of brief foodwarming and attractive presentation; configurations for display lighting only are available, as well. The newest shades are available in our seven *Designer* colors, seven Gloss finishes and six Plated finishes. The -1000 series is available with eight different mounting arrangements and with four power switch options; the -2000 series is available with six mounting arrangements and three power switch options. To virtually build a Decorative Lamp, visit the Hatco website at <https://www.hatcocorp.com> and click the 'Build a Lamp' link under the Resources tab for the Decorative Lamp Configurator to launch.
