Hatco® Corporation Promotes Reilley to Director – Ovention Ovens

Milwaukee, WI – June 10, 2021 – Hatco® Corporation announced today that Casey Reilley has been promoted to the position of Director – Ovention Ovens. Ovention Ovens is a Hatco brand focused on industry-leading countertop ventless and auto-load/unload technology solutions.

Reilley will have responsibility for all aspects of the Ovention business. He joined Ovention in 2016 as an Embedded Systems Engineer and has been leading the Ovention engineering team for nearly three years.

Hatco Executive Vice President Lorne Deacon said, “In addition to his leadership skills, Casey has a deep knowledge of circuit design, microprocessors, and software development, which has contributed to the ongoing success of Ovention Ovens.”

Prior to joining Ovention Ovens, Reilley was a Senior Design Engineer at Macromatic Industrial Controls. He has a Bachelor of Science in Electrical Engineering from the University of Wisconsin-Milwaukee and a Master of Engineering Management from the University of Wisconsin-Platteville.
