

## PRODUCT RELEASE

# Keep Your Dishes and Food Hot With Hatco®'s Plate Warmer

Hatco® Corporation's Plate Warmer is an ideal solution to hold easily accessible pre-heated serving plates. The plate warmer's convenient doorless, open design utilizes a heated air curtain system and allows for easy retrieval, loading and cleaning. The warmer can hold 25 plates up to 12" (305 mm) in diameter and features a power On/Off switch, a covered digital temperature control with an adjustable range of 104°F to 122°F (40°C to 50°C), and energy efficient LED lighting that illuminates the interior from the top. The plate warmers have the ability to be daisy-chained with up to three units, are available as countertop, built-in or wall-mounted, and are available in standard Stainless Steel or optional *Designer Black*.
