Key Features:

- **Optimal Temperature Control:** Maintains temperatures between 31°F to 41°F (-1°C to 5°C) with even air distribution to keep products fresh.
- **Touch-Free Convenience:** The doorless design allows quick access, prevents the spread of germs, and eliminates the maintenance associated with handles and doors.

- **Enhanced Visibility:** 3500K LED lighting on the top, front, and sides highlights food and beverages for maximum appeal.
- **Eco-Friendly Refrigeration:** Uses energy-efficient and environmentally responsible R-290 refrigerant.

The air curtain is the perfect choice for convenience stores, cafés, colleges and universities, concessions, delis, grocery stores, healthcare facilities, hospitality venues, and quick service restaurants, ensuring food and beverages remain fresh, accessible, and irresistibly appealing. Models are available in 120V.

For more details on how you can elevate your grab-and-go offerings with the FS3RAC Flav-R-Savor Refrigerated Air Curtain Merchandiser, contact your Hatco sales representative, download the equipment [spec sheet](#), or visit www.hatcocorp.com.
