## Flav-R-Savor® Tall Dry Holding Cabinets

Models: PFST-1X, -2X

Hatco has a profitable way to build sales volume with the Flav-R-Savor® Tall Dry Holding Cabinet. Heat is diffused throughout the cabinet providing gentle, even heat while maintaining optimum serving temperatures. Even after the door is opened and closed, the cabinet temperature quickly recovers so product stays hot.

### Standard features

- Eight-shelf rack with 5" (127 mm) centers that can hold up to 16 boxed pizzas or eight bagged pizzas
- Two 60 watt lamps on non-control side
- Available in one- and two-door models with heavy-duty casters for easy portability, tempered glass sides for excellent visibility assuring proper delivery rotation, a temperature control to regulate the heat and a monitor to indicate cabinet temperature
- Door opening of 18.75"W x 41.05" H (476 x 1043 mm) with available shelf space of 18" (457 mm) square
