# Soup Stations

Models: SW2-7QT  
SW2-11QT

Hatco's Soup Station is designed to provide an attractive appearance while holding pre-heated soups at safe serving temperatures – whether it's front of the house, self-serve kiosks or catering.

Heat is evenly distributed throughout the unit to hold foods at desired temperatures, and the insulated stainless steel design provides easy maintenance and durable performance.

## Standard features

- Unit available to accommodate two 7-Quart (7-Liter) or two 11-Quart (10-Liter) round pans
- Stainless steel construction with insulation that provides easy maintenance and durable performance
- Infinite switch with indicator light on both ends of unit that controls nearest well
- Convenient recessed handles
- Comes with 6' (1829 mm) cord and plug attached
