## Drop-In Slim Ice Wells

Models: IWB-S1, -S2, -S3, -S4

Hatco Drop-In Slim Ice Wells provide all the quality features of our Refrigerated Drop-Ins, but without any refrigeration or electrical components. Now available in a slim line configuration providing customers with a complete well within easy reach, regardless of the sneeze guards. These ice-cooled, insulated units can hold pre-chilled food products at preferred serving temperatures.

Ideal for salad bars, cold buffets and chilled beverage bars. Pan dividers give you greater flexibility in your variety of featured food products.

### Standard features

- Slim configurations to hold 1 to 4 full-size pan configurations but placed lengthwise
- Optimal insulation on sides and bottom ensure better cold retention and cost savings
- Bezel design allows clear viewing and easy food access
- Larger 1" brass drain with flat screen simplifies cleaning
- False bottom accessory conveniently holds ice above drain for ease of draining
- Matches the Hatco line of Wells for a fully integrated look

### Options (available at time of purchase only)

- ☐ Slant Kit to give Ice Wells a 5° tilt
