Rapide Cuisine™ Heavy-Duty Induction Ranges

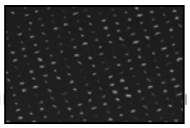

Models: IRNG-HC1-14, -18

Hatco's Rapide Cuisine™ Heavy-Duty Induction Range is designed and built for the demanding rigors of commercial foodservice use. This model is simple to operate and has the Magnetic Power System (MPS), delivering the highest power in its class!

Designed to withstand the rigors of commercial kitchen use, the unit features a large control knob, extra side impact protection and a scratch-hiding cooktop surface.

IRNG-HC1-18

Close up of patterned black glass top – helps prevent noticeable scratches due to heavy use

Standard features:

- High resolution TFT (thin film transistor) display instantly advises the operator of precise power (1 to 100) and time control (1 min. to 10 hrs.)

- Large control knob is adaptive and adjusts to user input. From precise, fine control (slow turns) to spanning the full range in a single twist (fast turns)
- Includes a grease filter and extra side impact protection
- Black patterned, ceramic glass top that is durable, easy to clean and allows scratches from heavy use to become less notcieable
- Fully sealed top with conformal coated boards adds extra protection against grease or moisture
- Keeps its "cool" despite the kitchen temperatures. Can withstand max ambient of 124°F (51°C)
- Pan Sense Technology (PST) activates the unit only when a suitable pan is placed on top
- Safety and convenience features such as automatic shut off to prevent overheating and compatible pan detection
- Low-profile, contemporary design and low noise cooling fan
- USB port for downloading updates
- 71" (1800 mm) cord with plug
